

Having met the criteria for measuring the depth and maturity of an established cybersecurity education program

Metro State University

is hereby designated as a

National Center of Academic Excellence

in

Cyber Defense

for the NSA-Validated Program(s) of Study

through academic year 2027

This certificate is presented in recognition of significant contributions in support of the National Initiative for Cybersecurity Education (NICE): Building a Digital Nation by broadening the pool of skilled workers with cyber defense expertise, capable of supporting a cyber-secure nation, and ultimately contributing to the protection of the national information infrastructure.
