A member of Minnesota State

College of Nursing and Health Sciences  
Department of Nursing  
Applicant Policies  
Post-Master's DNP Program  
Approved 11/16/2023

## **Effective Date**

These policies become effective immediately upon final approval and shall remain in effect until revoked.

## **Purpose**

Applicant policies are provided to inform prospective applicants regarding admission requirements. The most current policies are posted on the webpage for the College of Nursing and Health Sciences. Policies are subject to change.

## **Responsibility**

Each applicant is responsible for knowing and adhering to the current applicant policies for their program. The responsibility for the implementation of these policies is assigned to the Dean and faculty of the Department of Nursing.

## **Application Requirements**

1. The following are requirements for admission to the Post Master's DNP at Metropolitan State University. All application items must be uploaded by the published application deadline.
  - 1.1. A completed application for the Post Master's DNP via NursingCAS, official transcripts, reference, a goal statement essay, evidence of current RN licensure, and APRN Licensure if applicable.
  - 1.2. An official transcript indicating a Master of Science in Nursing in the following approved areas: CNP, CNM, CRNA, CNS, Leadership or PHN Masters degrees. If the degree is from an institution in the United States, the school must be accredited by the National League for Nursing Commission for Nursing Education Accreditation (CNEA)

or the Commission on Collegiate Nursing Education (CCNE). Graduates of non-US schools, see below for requirements.

- 1.3. Masters student applicants whose Masters in Nursing is in progress may petition for their application to be considered if their degree will be completed by August 1, prior to the fall program start.
- 1.4. Official transcripts for all other undergraduate or graduate studies completed at the time of the application:
  - 1.4.1. Graduates of non-US schools who apply to the Doctor of Nursing Practice program are required to have transcripts evaluated by a credential evaluation service. The evaluation report serves as the basis for the transcript evaluation needed for admission to the University and to the graduate nursing program.
- 1.5. A minimum cumulative Grade Point Average (GPA) of 3.0 is required for admission. The GPA used for admission assessment is the cumulative GPA calculated from all post-secondary coursework and evaluation of all undergraduate and graduate transcripts; Applicants may petition to have a transcript older than seven years from the application deadline individually reviewed for exclusion from the cumulative GPA calculation. Transcripts for elimination must not include any nursing course requirements for the applicant's associate degree in nursing, BS/BA or master's in nursing, and credentials from an omitted transcript may not be used to satisfy program admission requirements.
- 1.6. Evidence of current unencumbered registered nurse license and APRN license if applicable in at least one state with eligibility for licensure in Minnesota.
- 1.7. One professional reference from current or former professional or educational sources, a supervisor, employer, or faculty.
- 1.8. A goal statement essay. Guidelines for the goal statement essay are provided on the Post Master's Doctor of Nursing Practice program application section of the Metropolitan State University website and NursingCAS;
  - 1.8.1. Applicants are expected to use their own words and ideas when responding to essay questions. To clarify or strengthen a point, applicants may choose to include the thoughts and ideas of others when responding. In these cases, applicants are required to use the most current edition APA citation of the works in which the ideas originated. Applicant essays are subject to plagiarism review, including the use of plagiarism-detecting software. A finding of essay plagiarism, decided by the Admission Retention Committee and faculty, could result in various consequences, including the full denial of an application
- 1.9 An interview with a member or members of the Department of Nursing's Doctor of Nursing Practice faculty may be required.

### **Petition for Exceptions to Policies**

A student seeking an exception from a policy or requirement may do so through the College of Nursing and Health Sciences Petition process. Exception requests are considered on an individual basis considering the strength of the submitted evidence or rationale. Students should contact a program advisor in CNHS for information on the petition process.

### **Review of Application Materials**

All submitted materials are reviewed and evaluated by the Department of Nursing Admission and Retention Committee and nursing faculty. Final admission offers are made by the Dean of the College of Nursing and Health Sciences. The admission process is competitive.

### **Admission Offer**

Successful applicants will receive a letter offering admission. An applicant who wishes to enroll in the Post-Masters Doctor of Nursing Practice program must respond affirmatively by the date indicated in the letter. Failure to respond to the offer of admission by the date indicated in the letter is considered a decline.

1. Pre-practicum Requirements: Students must meet all pre-practicum requirements prior to indicated deadlines and maintain these requirements throughout the program. Failure to meet the requirements prior to the indicated deadlines may result in students' inability to enroll in or attend courses. It is each students' responsibility to maintain and provide the required records. The requirements are determined by contracts and clinical agencies and, in general, there are no exceptions. Information on clinical requirements can be obtained at: <https://www.metrostate.edu/academics/nursing-and-health-sciences/practicum/requirements>
2. Conditional admission: Students offered conditional admission for any reason must satisfy the requirements outlined in the offer.

### **Deferral**

An applicant who accepts a position within a cohort and then does not enroll in courses forfeits a position in that cohort. Such applicants may reapply for admission to a subsequent cohort.
