

Proof of Financial Responsibility

International students are responsible for all educational and personal expenses for the duration of their F-1 status at Metro State. To issue an I-20, which is needed to obtain an F-1 student visa, Metro State is required by U.S. government to maintain records that you have the funds necessary to cover your tuition, fees, and living expenses for at least your first year of study. If you bring your spouse or other dependents with you to the U.S. you must also demonstrate that you have the funds necessary to cover those costs.
